

HUNTER'S PARADISE LODGE #85

Greetings from the East... Worshipful Master William Enloe, PM

Brothers,

It is February, and about time to begin our spring cleaning. What is there to clean, you may ask?

This may be the perfect time to clean up any of those negative thoughts that are keeping you from doing anything/something. You are the best you that "YOU" can be and the best you that your brothers see in you. Remove all doubt, remove all the negativity that keeps you from being happy and cast it away with the garbage. Today, we are going to perform a "spring cleaning" of the mind.

We are spreading the tenets and teachings of the organization and together we can keep our minds free from those habits that cause us harm. One habit that may plague us

is "doubt", another may be "low self-esteem", and there may be many other negative habits that should be washed away from our minds. If you notice these habits in your friends and brothers, you should whisper that kind council in our ear and helps us to clean it away from our hearts and minds.

Now that you have cleaned yourself from negativity, you need to fill yourself with positivity. Smile at your loved ones, smile at your friends, smile at your Lodge brothers, and smile at a stranger. Give every the gift of your smile and spread the joy that you feel from seeing others smile when you are happy.

Some may feel it strange that someone be always happy,
(Bill Enloe, WM continued on page 3)
