

# HUNTER'S PARADISE LODGE #85

## Greetings from the East... Worshipful Master William Enloe, PM

Brothers,

June is here and so is summer, we enjoyed the nice cool weather of April and May. The summer brings us warmer temperatures and in most cases the Lodges across the valley are dark. However, we at Hunter's paradise are not planning to go dark. We may go a bit dim, but not dark. With the new plans to track our Master Architect efforts, we should expect to see a bit more visibility on the activities that will get us the award in 2020's Grand Communication. Worshipful Brother Mark and I will be putting a plan together with the officers of Hunter's Paradise and will execute that plan. We will be scheduling another visitation to Ascension Lodge for all

that may have missed the first visit opportunity. We are also planning to have an Open House in July during our Cornhole Tournament. Let's not forget the Feed My Starving Child event that is planned July 22nd. There is so much more that is expected in our future and I hope to see you all there with us.

With all that is going on with our Lodge, it is important to know that the officers (elected and appointed) cannot do this all by ourselves, we need the help of our brothers, ladies, and family because together we can achieve more and together we will start a new Master Architect steak. All the items that are part of the Master Architect is more for the health and

## From the Secretary's Desk...

By George "Z-Klown" Mather, PM

Brethren All,

Summer is upon us. We are only dark in July with no Stated meeting. This gives us an excellent opportunity to encourage our Candidates to complete the proficiency in their Degree and for the Lodge to set up a date for their next Degree.

Grand Communications was a very informative event. At the Secretaries meeting we were asked about our Perpetual Members and Senior Life Mem-

bers. We are a young Lodge and do not have very many of each. We are in contact with these members and value their service to the Lodge. We are still growing and have many new members through Affiliation form other Lodges. We would ask that all our members think about their roll in Masonry and make plans to attend our Stated meetings, Degree work and special events.

When we think we have

## On the Level...

By Mark Brown PM, Senior Warden

Greetings from the West,

I've lived in Arizona for 30+ years and can never recall a more pleasant spring. The recent temperatures hovering above the 100-degree mark is the first indication of the return of the summer season. Thus begins, my Masonic summer vacation and activities.

First up is the recently completed Grand Lodge of Arizona Annual Communication in Tucson. What a great session! We celebrated and recognized the labors of the Grand Lodge officers and committees, elected our 2019-20 Grand Master, MWM Greg Vasquez, and officers, and

conducted the largest slate of legislation I recall in the years I have been attending.

Next up is the 2nd Degree special meeting followed by our June stated meeting. We are planning potluck dinners with entrees straight off the smoker! I hope to see everyone there.

June concludes with travel to the 145th Imperial Session of Shriners International in Nashville, TN. The primary involvement at the session is the annual meeting of the International Shrine Aviation Association. After that, catch up with old friends, meet some new and en-

If there are events you would rather see being planned,

please contact your Lodge officers and we will work toward planning them. Not all those that help the Lodge are ritualist, some are planners and organizers of a various of events we can do together as a Lodge or along with the El Zaribah Shrine center. Please know

this is your Lodge and we are here to keep you interested in seeing you fill our room.

joy all that Music City, U.S.A. has to offer.

From Nashville, we will head over to Washington D.C. as part of MWM Greg Vasquez's Grand Master's trip to include a laying of a wreath at the Tomb of the Unknown Soldier on July 4th. This is in

conjunction with Arizona masonry being recognized at the George Washington Masonic National Memorial for the month of July.

July concludes with the Hunters Paradise 1st Annual Cornhole Tournament. This promises to be a fun event for the participants and a great fundraiser for the Lodge that

will involve participation from several of the Brethren.

Best wishes to all for a safe and enjoyable summer vacation.

## Masonic Education and Training A Policy and Procedures Manual for HP#85

Over the past 6 months we have been working on a Policy and Procedures manual for our lodge. The idea started from some files that Brother George Mather PM had used in Ohio and was able to get us a copy. He then found records where an Officer Training Manual was developed in by a team in 2013 and he got a copy of those files from Orient Lodge #20. We have modified those files and updated them for our lodge's situation and we offer them to you for your review and further changes. Here is [a link](#) to what the manual looks like right now.

We will start reviewing the content over the next few months and hope to have it fully adopted before the end of the year. There is a sense that our efforts to jointly develop the manual will help us to further grow as a lodge and be an even stronger home of mentors of new masons.
