

HUNTER'S PARADISE LODGE #85

Greetings from the East... Worshipful Master William Enloe, PM

Brothers,

There are many things that a thriving Lodge does that shows them as prospering better than other Lodges, but one thing that cannot be neglected is the attendance of its members.

We the officers and members of Hunter's Paradise have prided ourselves as being warm and welcoming to our members and visitors. I am sure that not many may want to come down to a Lodge that strictly discusses business and does not favor the softer side of Masonry, which is the fellowship.

There is not a good way to measure the strength of the fellowship. However, it is easier to feel we are doing the right thing when the Lodge has a large number of members and

visitors on the sidelines. For this reason, I know we are doing well because I see many faces in seats at our Stated and degree meetings.

Of course, we can still make room for more. So, if you have not been to Lodge in a few months (or even if you have), please come on down and see what your new and old friends are up to. Hunter's Paradise #85 Lodge has over 100 members and it is your Lodge. Therefore, without you there it just does not feel the same. We miss you and have not seen you in a while, so come down and say "Hello".

Please remember that a house is not a home without the members of its family. Therefore, we need you to make our

Brethren All,

October is the month we elect the new Officers for 2020. The new Master will announce the appointed Officers for 2020.

We have had the pleasure of creating many new Master Masons in 2018-2019. We will continue to educate these new Brothers in Masonry. We welcome your assistance in their continued education and fellowship.

The months of November and December will bring many events and parties for us to select from. If there is one that you can invite a new Master Mason or Candidate to please do so.

As the new Master for 2020 outlines his program for the coming year please mark your calendar for all the events and programs you will be able to attend and participate in.

On the Level...

By Mark Brown PM, Senior Warden

Greetings from the West,

High temperatures in the single digits, cooler nights and leaves changing color in the high country means Fall is here. Hard to believe it is October already.

Plans for the new Masonic year are progressing at the expected pace. The new Planning Committee has met twice to review the Brothers being considered for 2020 appointed officers and review the draft 2020 financial budget. Both will be announced and reviewed respectively at the October stated meeting. We also have the required proficiency cards to cover the election of all

3 pedestal officers. Thank you to all who gave of their time to get the Lodge to this point.

Our Calling Committee is now in place thanks to the efforts of our Secretary, VWB George Mather. Thanks to all who are serving on that committee to check-in on our Brethren and keep them informed of upcoming Lodge events.

We continue to check off the necessary accomplishments required for next year's Master Architect award but there are several areas to cover, particularly visits to Lodge visits, youth

family complete by coming down and tell us how you are doing. We want to know what you have been up to lately and we want to hear all the new and

exciting things you have done during the summer. We would love to hear about the different things your family has been doing, so we can include them in our family's thoughts. You are a vital member to this family and

we are not whole without you. Come on down with the rest of you family,

groups and appendant organizations. More detail to follow over the coming weeks.

We will be looking for volunteers to champion a couple of social family events. With the best weather in the country over the next few months, a picnic would be an appropriate setting. Let us know if you would be interested.

Fraternally,

Mark Brown PM
Senior Warden
