## Message from Worshipful Master - Bill Enloe PM

To all Hunter's Paradise Members, officers and family,

Spring has arrived, and with it comes the familiar reminder that warmer days are already on the horizon here in Arizona. What may feel like early summer is simply our version of March. While our landscape may only hint at change—shifting from brown to brown with a touch of green—Spring still brings a powerful message of renewal. Even those small signs of growth remind us that new beginnings are always possible.

Spring has long been a symbol of hope. It represents new growth, new life, and fresh opportunities. It encourages us to look forward with optimism and to believe in what can be built together. This season invites us not only to care for our surroundings, but also to nurture the future of our Lodge.

Now is the perfect time to think about bringing in new members—

individuals who can share in our values and become part of our story. New members represent the hope and direction of our Lodge, our Grand Lodge, and our Shrine Center. They bring fresh perspectives, renewed energy, and the promise of continuity for generations to come.

Take a moment to look around and consider who you know that might be a good fit for our fraternity. Invite them to attend a Stated Meeting and spend time with our Lodge brothers. Invite them to a 4th Friday at the Shrine so they can experience the camaraderie and fellowship that make our organization special. Let them see firsthand that we are committed not only to our traditions, but also to building a strong and meaningful future together.

As we welcome Spring, let us embrace its message of hope. By opening our doors, extending invitations, and strengthening our bonds, we ensure that our Lodge continues to grow and thrive.

Together, we can be the hope that builds tomorrow.

## From the Secretary's Desk... Jim Miller

Worshipful Brother Bill and I had the opportunity to attend the 8<sup>th</sup> Annual Lost Dutchman Outdoor Degree hosted by

White Mountain Lodge #3 on Saturday, March 7, 2026. It has been a while since I have had the opportunity to attend one and what a wonderful experience! White Mountain Lodge #3 did an excellent job and the hospitality was incredible. We all had an opportunity for great fellowship and to see our brothers from around the state. If you have not been to an Outdoor Degree recently, I encourage you to do so.

We will have another opportunity to attend one at Fain Ranch near Prescott in the fall. Be on the lookout for it.

Dues keep coming in, but we still have a little over thirty brothers who need to get their dues paid for 2026, so please do so as soon as you can. If you have any questions, please contact me.

See you in Lodge!

Jim Miller  
Secretary, HP #85

## On the Level... Senior Warden, Braden Gaines

Dear Brothers, This is Leo, while Braden goes through some tough times, I will be filling in for him.

Our officers are working hard to make sure we are meeting our objectives in the way of support for our local community. This is a photo of them handing off a check to support the Sojourn Center

Another objective take care of our lodge. There will be a Saturday work party to get the lodge ship shape. Many hands really make this a fast project. So come-out and help. We will be doing a general cleaning and finish the installation of the wiring for our television.

Another objective is Security.. This has become a big issue around the Shrine building. It is more than once they had found people who

were just wandering around both inside and outside of our building. To this concern, we have purchased a video door bell that we have installed. We will be locking the south doors, but you can still get in by just using the Video Doorbell and we will come down and let you in.

See you in lodge.

## The Plumb Line... Junior Warden, Earl Gould PM

Greetings from the South,

Every month I try to write an article you all will be able to relate to, maybe something to think about or something which will give you a laugh. As I struggled to find a message for this month, something different, something where I was not asking for help, or brothers to come back to the lodge. I found it, it is a simple message and short, I simply wanted to thank you all for your friendship and brotherhood, for your support and acceptance.

This time of year, we are constantly reminded of the glory of God. The warm weather pushes out the colder sometimes gloomy days of winter, flowers are in bloom, and the birds sing louder. It is a great time of year. Take time to share this joyous time, be with family and friends and make memories of your time together.

Please remember we have dinner at every stated meeting starting at 6pm, the gavel drops at 7pm. I

try to get a variety and not have the same thing, but it is truly difficult to find a place which does take out and remain within our budget. If anyone has a suggestion or would like to pick meals up from a special place they know (the lodge will reimburse you, our budget is \$150) please let me know.

I would like to remind you all we are planning a social event away from the lodge, just something where we can meet out and enjoy an evening or afternoon of relaxation and fun, with out concerning ourselves with I will be sending out fliers and information on that as our plans are finalized.

Looking forward to a great summer and I wish you all a Happy St. Patrick's Day!

Earl Gould PM  
Junior Warden

### ON THE SQUARE

My Brother, in the Courtyard  
 Each one of us have stood  
 Outside the tiled Lodge door  
 Awaiting as we should.  
 Take heed, thou young Apprentices  
 The Word emblazoned there:  
 To meet upon the level  
 And part upon the square.  
 My Brother, at the Altar  
 Each one of us has knelt  
 With solemn Oath and Brotherhood  
 The Mystic Tie we've felt.

Take heed, my Brother Fellowcraft  
 The Word emblazoned there:  
 To act upon the plumb  
 And part upon the Square.  
 My Brother, in the Temple  
 Each one of us were Raised  
 And on receiving further light  
 Into the Light we gazed.  
 Take heed, my Brothers, Masters all  
 The Word emblazoned there:  
 To Live within the compass  
 And part upon the Square.
